### TWIN WIN FOR TRIBE

Hustling Ray Browne, manager of the Torrance Indians, is one Irishman that has fine in his eye and a lot of the stuff that it takes to make a good ball-club. His Indians last Sunday took on the Los Angeles Colored Athletics in a twin bill and won both games by scores of 15 to 0 and 6-1. This made the Tribes winning streak five in a row and giving the Torrance nine 16 wins, two losses and two ties in their last 20 games.

Pitching shutout ball, George Browne, along with young Jimmy Daniels, allowed but two hits to the opposition. George pitched the first three and Jimmy took the four remaining. The colored boys gave up in the first game and wanted a new start. They got it and were beaten again 6-1.

Indian roster now includes Catchers: Tommy Kineannon and Bill Hicks; first base: Nick Sureri; second base: Ray Browne; third base: Doug Williams; shortstop: Louie Briganti; left field: Nick Palica; centerfield: Lane Shanks; rightfield Ralph Belton and utility: Eddie Roberts and Bob McNeil.

Next Sunday the Indians will engage Goodman and Sons at the Torrance city park. Because of a city picnic, where some 700 to 1,000 persons are expected to attend, the Sunday game will begin at 1 o'clock, according to Dale Riley, recreation director.

### Drugs and Medicines Exempted from Retail Sales Tax

The California Assembly approved a measure late last week to exempt drugs and medicines from the provisions of the California retail sales tax. The proposal, sponsored by Assemblyman Vincent Thomas of San Pedro, removes all medicinal remedies from the sales tax provisions.

"I do not believe it was the intent of the authors of the retail sales tax act," Thomas declared, "to inflict a penalty upon those who are unfortunate enough to suffer from various ailments. In my opinion this tax adds an additional burden upon those who are already heavily burdened."
